WALKER STATEMENT ON THE PASSING OF LORRAINE CARTER

MILWAUKEE – County Executive Scott Walker issued the following statement today on the death of Lorraine Carter:

“I was very saddened to hear of the passing of Lorraine Carter who served as President & CEO of V.E. Carter Development Group. Ms. Carter was considered by many to be a matriarch within the African-American community. For over 30 years, she was a strong advocate for children and was seen as a mentor for those in the community who wanted to be entrepreneurs, especially in the field of child care. I had the honor of meeting with Lorraine on many occasions and her strong influence in the community will be sorely missed.”
